

Bill Thomas Scanlin

January 5, 1935 - February 1, 2026

Bill Thomas Scanlin, a beloved father, grandfather, brother, uncle, and friend, passed away on February 1, 2026, at the age of 91, in Rosenberg, Texas. Bill was born on January 5, 1935, in Houston, Texas, to Lee and Mary Scanlin.

Bill is reunited with both of his parents; his brother, Anthony Scanlin; his daughter Karen Scanlin (Crabtree); and ex-son-in-law, David Crabtree.

Bill is survived by his loving wife of 68 years, Elizabeth Scanlin; children Tommy Scanlin and Jason Scanlin; siblings Joe Scanlin, Ed Scanlin, and Lenora Patronella; only grandchild Stephanie Porteous (Crabtree) and her husband Randy, with a great-granddaughter on the way, along with numerous family members and friends who adored him.

Bill attended and played football for Missouri City High School and graduated in 1953. He worked as an WKM factory inspector before going into the US Army Reserves. He worked as an air-conditioning pipe fitter for most of his life, but also had knowledge in electrical work, plumbing, construction and maintenance. Bill absolutely loved spending time outdoor, whether it was taking the boat out on the water and fishing, or driving the 4-wheeler out with his dogs and hunting. He was an excellent cook, barbequing on the grill outside, and even had a love for baking, using his favorite recipes from his childhood.

As we celebrate Bill's life, we will carry his spirit within us - his laughter echoing in our hearts and his love warming our souls. He represented the best of what it means to show unconditional love, and his legacy will endure through the lives he touched. Rest now, Bill, knowing you have left an enduring mark upon this world.

A visitation will be held on Friday February 20th from 1-2 p.m. with a rosary prayer to start at 1:45 followed by the memorial service held at Davis Greenlawn Funeral Home.

Uncle Bill.. what is there to say? That face says it all. Our Favorite fishing partner. One Summer Bob and I either went and picked him up from his house or he'd make it down to our house. We'll load up and we hit the water every Wednesday for three months the best three months of our fishing excursion you look over and he'd have a big old smile on his face just waiting for big Amos to hit his pole. You'll be with us every time we go fishing. Love you.

“ When Bill first came to our home to go fishing with my husband Steve I had baked a big batch of chocolate chip cookies for them to take. When Bill came hunting the first thing he asked for was those cookies. Every time we visited he and Ann the subject always seemed to turn around to chocolate chip cookies. Every phone call he asked for those cookies. I must have made an impression with them. I will miss Bill's phone calls most of all.
