“ Aunt Billie was a remarkable woman. I don't think there was anything she couldn't do if she put her mind to it. She accomplished so many things in her life and was a inspiration to so many..... women especially. When she and Teresa talked me into joining Mary Kay with them, Billie often pushed me to do things I didn't want to do and didn't think I could do. She would tell me I could do anything and to just go out there and DO IT! She had belief in me when I didn't have it in myself. I'll always be grateful to her. I've never known anyone who loved life like she did and who fought so hard for that life. God had a reason for keeping Billie on this earth as long as He did and I'm very grateful for that. Lord, you have Billie there with you now...let her fly. I love you and will miss you Billie. Please give mother and daddy a big hug and kiss for me. Linda Perkins Averett
