“ *Mr. Shelton lived on my mail route for some time before I moved to another. He was always friendly and since he was a retired mailman we could share stories. One of my good friends, his son Jim was definitely molded by his father. God bless to the entire family and rest in peace my brother carrier, and my sincere condolences Jim and your wife.*

“ *Uncle Bill, you will be missed. I feel like you were the last thread holding on to Dad, which was special to me. I had so many things I never got to ask you about y'all's childhood. I know you are happy with all the loved ones you have been missing in heaven. You are pain-free now, and that is a blessing. We won't forget you and will see you again on the other side. Give everyone in heaven my love and tell them I miss them, too. A special hug for Loyd, please. Thank you for taking care of him when Dad passed away. I love you!*
