*Condolences to Bill's wife & family.  
I come to know Bill in 1976, when I went to work for AMOCO Chemicals at Chocolate Bayou .... as an Analyzer Tech. Starting in 1979 a lot of Operators and Techs were interviewing with ARAMCO. A number of us accepted jobs in Saudi Arabia. I arrived in SA December of '80, after Bill. I was working in Dhahran SA but in early '82 meet up with Bill again when I transferred to Yanbu SA.  
It was a pleasure working & socializing with Bill during those years. It sadden us to hear of his passing. God Bless*
