“ I am so sorry to hear of Mr. Neeper's passing. I have such fond memories of our neighborhood get togethers in Belmont. Even after Mom and Daddy moved, I still drove by and admired your beautiful yard!
May God hold you all in his loving arms during this time of transition.

“ Dear Barbara,

Please accept my condolences on Bill's passing. He was such fun to play bridge against, and what a terrific opponent he was! He always played to win, and he was always gentlemanly, even courtly, in the way he competed. My grandson Connor joins me in saying prayers for you.

“ Bill: I'm sorry you left us before finishing teaching me more about woodworking. I truly miss talking with you here in the neighborhood.

Barbara: We love you and know it must be tough having been together 53 years and still had some things you wanted to talk about with Bill. That is a great testimony of your love in itself! We are never really prepared for anything truly important in this life...and loosing a spouse is certainly one of them. But God will never test you beyond what you can endure. Just know that you can count on His promises and never will He leave you.

You have my cell number if you need me 24/7...all you have to do is call me.

We love you,
Jerry and Sherry
