“ Allen, Sue, Chrissy,

What can you even say in a time like this. I am truly sorry for your loss. Blake was a wonderful person and no one could ever replace him in my heart. I didn't know Blake as well as I should have but that doesn't make him any less important to me. He was my cousin and I loved him very much, just as I love all of you.

I miss you all very much and I know this is a sad time but if Blake were here I'm sure he'd be finding ways to make us happy instead of sad. Smiles instead of tears. Eventually the tears will turn into smiles with the memories of him. My prayers are with you always. Keep in touch.

“ *Uncle Allen, Aunt Sue and Family,*

All day I have found my thoughts wondering to you. In the rain...I thought of utter sadness, when the sun came out...I thought of renewal and when night began to fall...I could only imagine the dark space that has been left in your hearts and lives...but then I remembered that there can be no true darkness where light has taken residence...Blake was such a bright and burning light. He will remain in our hearts forever and continue to push the darkness away and someday we will find peace. I mourn with you though the miles separate us, I cry in the quiet of this night tears of unbelief. I pray that somehow, some way God will still the water so that you may find rest. We love you all.

*Love,
Donna, Robert and Mikaylah.*

“ *Aunt Sue & Uncle Allen and Family:*

I was so sad to hear of Blake's sudden passing. I find it hard to find the words to say " I am sorry" because it just does not seem to be enough. I only pray that in the days and months to come, God can ease your pain and replace it by warm memories of the times you all spent together.

“ I was blessed enough to be able to share several classes with Blake throughout high school. He always could make me laugh and put a smile on my face. Blake also had a gift which allowed him to lift the spirit of any room in which he was in. We shared many laughs and good times together which I will always cherish. We recently reconnected as well, hoping that he could make it out to San Antonio for a visit. It breaks my heart that I will not be able to make the funeral, but Blake will forever hold a special place in my memory. My thoughts and prayers go out to him and his family. Heaven has one more angel looking down upon us.
