“ I had the privilege to work for Ms. Blanca at her restaurant. She was a great woman. I always admired how much she loved her husband. I pray the God to comfort the family during this time.

“ Mama, you will always be the apple of my eyes. Thank You for your unconditional love and for all the wonderful goodness you have showed me through my life time. You never saw my faults and loved me through each one. I am going to miss you so much, but I know that life here on earth is nothing but a vapor in the wind ,compared to eternal life in heaven. One thing you have truly instilled in me was to work hard, never loose hope, keep my faith, and to follow my heart. Thank you for telling me how proud you were of me, you believed in my dreams, for giving me the gift of life, love and knowledge. I adore you mama, your baby girl. Linda Kay
