“ *My Condolences to: Evelyn, Osi & Family of Mr. Bobby Butler,*

Very sorry for your loss. I knew something was wrong for quite sometime just didn't want to bother the family. I will miss Mr. Bobby's waves and smiles every morning leaving for work and every afternoon coming home from work. He always drove slow by our home and made a point to wave at me and give a grin as waving. He will be missed and those waves will never be forgotten. I know in my heart he is in a better place.

Sincerely, Stephanie Ramirez

“ *Our hearts and prayers reach out to you in this sad time. Remember that our mortal life is a brief part of the journey that we take and eventually we will all celebrate in His kingdom called Heaven. "To live in hearts we leave behind is not to die".*

“ *My condolences to the Butler family. May it help you to know that at John 11:38-44 Jesus brought back to life his friend. This account demonstrates that Jesus has the ability to bring back to life and health our loved ones. It also help us to appreciate that Jesus has fellow feelings for those who have lost loved ones to Adamic death. Please, you and your family find some comfort from this and your sweet memories as you wait to see your loved one again.*
