“ Bobby, I want to thank you for being such a wonderful husband to Candy and father to not only Meagan, but Chelsea and Corey. Tim and I had a blast when we all got together. You could always bring out the kid in everyone. I am truly sorry we didn't get to spend more time with you than we did. Candy, I wish more than anything that I could be there with you right now. You and the girls are in our thoughts and prayers. We love you all so much!!! Our hearts are breaking for you right now.

“ Bobby... I never did get to meet you but lived vicariously through post and pics from other Houston Titan owners. From what I gather you were one of a kind brotha. God bless and though I cannot be there in person for your passage... I am there in spirit. I did send some flowers for ya bro. On behalf of me and the TitanSpot family. I asked Stephen Harvard ScotssBro23 to ask your wife if there is anything I can do for her and the kids.... Dont matter what I will do it.. God's Speed Bobby..

“ Bobby we will all miss your laugh, smile, caring, compassion, and most of all your undying and devoted love to your friends and family. Some how we will find the strength to carry on without you here to guide us all with your gentle ,stern hands and comfort us in our time of need. We all know that god needs a very special angel in heaven to join him from time to time and we know that he made an excellent choice. We will all miss you terribly and love you more deeply than before. May you rest in peace until we meet again. Thank you for making Phillip's life so very happy and complete since he found you again.

Love Always,
The Key Family

“ Bobby Glen....I feel like this is a dream. Never in a millions years did I think I'd be writing in your guestbook for your funeral. I remember your smile and your laughter and all the times you called and turned my day around by making me smile & laugh! When I'd be having a bad day, my phone would ring and it was you saying "Hey Girl! have any more babies yet!?" and we'd both start laughing! I've pulled the pictures out of us from 1993 at your moms apt of you, me and Jason hanging out in the room. That picture is forever etched into my brain now. You are loved by soo many! The outpouring of love by your friends and co-workers is awe inspiring. I'm delighted to see and know the people whose lives you've touched outside of our family. I love you more than words could ever express and your memory lives within my heart forever and eternity!

Love,
Your cousin Melissa & Family

“ Bobby brutha, you will be missed by many my friend. For the short 3 years I've known you, you've made a lasting impression. I wont forget our last little off-road trip...you know the one where you said "Hey lets cross that creek!! Steve, you go first!" 6 hours later we got my truck out. I might try it again for you man...you'd love to see me stuck again I'm sure. Godspeed Choo Choo
