“ *I worked with Bobbie at Polly Ryon Hospital many years ago and we became good friends. I remember fondly both of your parents and all of you. I ran into your dad a few years ago and was amazed that he remembered me. What a wonderful legacy he leaves behind for all of us to reach out and do something good for someone each day. You all are in my thoughts and prayers. God bless each of you.*

“ I only met Mr. Wright a few times. I had a small business on 3rd Street and vividly remember watching him many times distribute coffee, food and kind words to the day labor population that gathered by the railroad. It left a lasting impression on me that he was a living testament to the type of person we should all be. I have no doubt that even Heaven will be better place with him there.

“ I thank God for putting Bobby in my life and to his family for allowing me the opportunity to care for him in his latter days. Bobby and I sharred many laughs. The blessings are too numerous to count. Bible readings, back scratchs, walking therapy, bird watching and listening to "your cheating heart" were many of the daily duties. He was quick to catch me if I mispronounced a name or city, but always with a big smile on his lips.

I miss you Bobby but thanks to our Lord Jesus we'll meet up again soon in his kingdom.

Respectfully,

“ *I remember practicing sunday mornings with the worship team and seeing Mr. Bobby bringing doughnuts. Kenny would say it was like watching Jesus passing by. What a wonderful servant of the Lord! His example is a bright light to this world and will be missed. Thank you Father for Mr. Bobby and everything you did through him. What a Mighty Man of God!*

“ Marc, Nina and the entire Wright family; I send my condolences from the bottom of my heart. I have known Bob since 1977 and had the pleasure of working with him for many years at Urbish Electric. I can honestly say that I never heard Bob speak a harsh word about anyone, quite the contrary, he always spoke well of everyone, always finding good in everyone he knew. He always put everyone's needs before his own, helping many people in ways that I'm sure we don't even know. Unfortunately I will not be able to attend his service, but know that you are all in my thoughts and prayers. Bob will truly be missed by many, but is now in God's hands and has what he has deserved for many years peace and happiness.

“ Charles, Joe, Audie, Arlie, and Nina I was so sorry to learn of your fathers passing. He was a wonderful person for me to look up to as a teenager growing up. He taught me many things as a scout master and had confidence in me to act and perform as a young man should. He took me fishing with him and Arlie many times on the pier at Surfside. I always enjoyed running into him around town these past several years and talking about the good ole days. I will miss him.
