Your mother is always with you...

She's the whisper of the leaves
as you walk down the street.

She's the smell of bleach in
your freshly laundered socks.

She's the cool hand on your
brow when you're not well.

Your mother lives inside
your laughter. She's crystallized
in every tear drop...

She's the place you came from,
your first home.. She's the map you
follow with every step that you take.

She's your first love and your first heart
break....and nothing on earth can separate you.

Not time, Not space...

Not even death....

will ever separate you

from your mother....

You carry her inside of you....We love you mom, gone home with the angels, but always here in our hearts.

“ Margaret, Stanley and Bernadette, I know you miss your mom. I didn't know this memory book was still here and stumbled upon it again today. I remember your trips out to CA to see us and all of us in New Mexico for Jackie's wedding in 1971. All of you were so cute all dressed up! I have so many good memories of visiting all of you at your house in the summers over the years. Your mom was someone who always knew how to have a good time no matter what she was doing. The thing I remember most is her fantastic kolaches. She could really bake!! I have that recipe of hers and everytime I have made kolaches over the years, I've thought of the trays of kolaches she always brought to the family reunions. No one made them better than she did! I hope all of you are doing well.

“ I will never forget my aunt Bonnie, she was one of my favorite aunts, she was always so happy and full of fun. Aunt Bonnie would play with us, talk to us when we were falling down, she was a beautiful lady inside out. This may sound silly but many times I would get a smile on my face when I would buy my clothes or earrings, because I have the exact same taste as my Aunt Bonnie. Life leads us in all directions, so sometimes we do not have the time with our loved ones that we needed. I will miss her. I am J.D.s and Rosie's daughter. My condolences and love to the family. Love Janet

“ To the family of Bonnie Castilla:
My mother, Rose Skaggs Aunt Bonnie's sister were talking about her and remembering, this past Sunday. Mom said she was such a hard worker and remembered the beautiful shelves of her canned goods. Mom said she loved to can and each one was lined up on these shelves and looked so beautiful and perfect. She was so full of life and her laugh filled the room. May your memories of her live forever. Our thoughts and prayers are with you all.

“ *I know that you will miss her, but we'll all be together again, BYE & BYE when we meet up yonder.*

The last time I saw Aunt Bonnie we were dancing in 1959 at a family reunion and I was home on boot leave from the navy and 17 1/2 years old.
