“ I am sorry I never wrote to Mr. Dawson to tell him how wonderful his honey was. I picked up a quart jar in Needville in November 2015 and just finished it. I decided to look him up to let him know and found that he had passed in April, 2016. Just goes to show one should never delay some impulses. Every spoonful of that honey made me think about him and his bees. He must have really loved his bees because their honey was the best I've ever had. May he rest in peace and may his family know that he gave me a smile every day.
