“ I am so heart broken to learn of Brad's passing. It is unfair when the best people on this earth are taken from us too soon. Brad is one of the kindest people I have ever met. Every interaction I ever had with him over the past 18 years or so truly brightened my day. His generosity of spirit never ceased to inspire and amaze me. Knowing him made want to be my best self. He was a good friend and a very rare unique human. I miss him already!

“ Two strangers brought together, to celebrate their children exchanging vows. But just a smile and firm handshake, because that's all that time allowed. Soon laughter was heard from the happy two. Inseparable they became, as their friendship grew. The weekend came to an end, and the new friends had to part. They shared one last smile, one last handshake, that came from their heart. I will truly miss you my friend. I hope we will meet again.
