

Brian Joseph LeMaire

August 8, 1972 - February 24, 2021

Brian Joseph LeMaire, 48, passed away in Houston on February 24, 2021. A light has gone out of our lives. Brian was the most fun-loving, out going, friendliest person one could ever meet. He never met a stranger and was always the life of the party. He lived life with his heart and door wide open. Friends always had a great time at his home between the pool table, air hockey table, giant TV, and amazing sound system. Brian was always laughing and made sure everyone else was too. His bright, big, beautiful smile was contagious and always at the ready.

Brian worked for 28 years as an electrician; 14 of them at the Shell Research and Development Plant. He was highly skilled at his trade and loved his work. In keeping with his generous nature, Brian was always ready to help friends and family who may have needed electrical work at homes or businesses.

Brian is survived by his parents, Asa and Elizabeth LeMaire and sister, Lisa LeMaire. His family and the incredible amount of friends he had loved him dearly and will forever be changed by his presence in their lives as well as his untimely passing.

“ *Brian quickly became my male best friend and close confidante. He used to laugh and tell me I had more issues than Playboy magazine. Ha! Now I have one more issue. You're gone now. And I am going to miss you so much. You made me laugh all the time but my favorite part was all the deep discussions we had. Thank you for making my life a better place and thank you for all the wonderful memories. Especially the night I made the 9-ball on the break when we played on your pool table. I love you, Brian.*
