“ Dear Bryson,
I only knew you for one day but it was enough for you to change my life. You were the toughest baby I have ever seen and you fought harder than anyone thought possible. I know your family loved you very much and it was my pleasure to be your nurse. I am praying for your Mommy and Daddy and for your family. Love you baby boy.

“ *Little Bryson,
What an angel you are! I am so blessed to have cared for you during your unfairly brief time here on earth. Your mom and dad love you very much and showed it everyday in their visits to the NICU. It is family's like your that touch us deeply in our nursing journeys. May God bless your loved ones in this time of deep grief, knowing the Lord as our forever Savior!*

“ *Baby Bryson, I was told no one was wanted at the hospital the day you were born. There were little chances of you making in into this world. But I couldn't stay away. I was there for you, your mom an your grandma. You came here kicking an screaming. You fought until you just couldn't fight anymore. We will all remember you as that, our little fighter. Never to be forgotten My Love... I couldn't wait to meet you while you were here. Now I'll have to wait a little longer but we will one day meet in a better place BABY BOY... Tia Loves You. Lupe an Eric my heart go's out to both of you, stay strong Love you both.*

“ *Our darling baby boy, when u were born u were so tiny our miracle baby so active.. moving and crying That was the beginning of ur fight. I loved spending time with u,u never stopped moving always pulling off ur stickers making ur monitors go crazy. I think it was because you liked seeing the nurses. Ur last night, we spent it together that night will b my most precious memories of u. U held my finger with ur tiny hand we talked and we prayed. U will always b in my heart and thoughts.U have broken r hearts ur mommies, daddy's and ur families.I know u were tired of fighting i saw the changes u made from the beginning to the end. We love u and r going to miss u dearly until we see u agian WE LOVE U.*

“ Just like a bee he was part of gods plan.
When it was his time god must of been looking for the best,
Thats when he found Bryson it was his time to rest.
It was hard for those who loved him to just let him go,
But god had a spot n his garden that needed a gentel soul.
So when u start missing Bryson if u just wait,
When god has a spot n his garden
Bryson will meet u at the gate

The day i went to see you changed my whole life, you held my finger and wouldnt let it go and my heart broke to no i couldnt pick you up. i prayed daily that god would give you to my sister your father and to the family. Although you were here for a short period of time the hole family came to love you. If love were enough honey you'd still be here with us all.
