“ *I have been one of Carol's marketing reps for the past several years and got to know her very well. I truly enjoyed spending time talking to her - she was a firecracker! I know how much she loved her family and she talked about her grandbabies all the time. Every time I was in her office she was showing me her favorite pictures - from her daughter's wedding to her precious granddaughter. I know she will watching over you all from Heaven. Blessings to the family - you will all be in my prayers.*

“ Carol was such a wonderful and thoughtful lady. When you remember Carol, remember the laughter she brought to your life, as well as the love she gave you. Celebrate her life, that is what she would want. She is an Angel in heaven and I'll bet you anything she is making everyone up there laugh out loud.

“ Kenny and Kyra, there are no words I can say to ease this pain, other than the peace she is at now should give some comfort. There are so many that will miss that smile, and her bottle of spray water to cool everyone off at the kids fishing tournament. God Bless you all, and know our hearts are hurting too.

“ I am sorry for your loss. God loved the world so much that he gave his only begotten Son to die for our sins. Jesus death gave us hope. Before Jesus death he cured many people and he also resurrected loved ones back to life on earth such as Lazarus. He did this to demonstrate what he will do on a much larger scale in the near future. Jesus promised at John chapter 5 verse 28 and 29, "the hour is coming in which all those in the memorial tombs will hear his voice and come out."
