“ My thoughts & prayers are with the family in your loss. Ms. Carrie was a sweet lady. I enjoyed visiting with her at the Czech Heritage Meetings and she was a friend of my Simon's mother. Keep your memories.

“ I have thought of you a lot through the years. You & Bill took care of my little daughter in 1968-71. You were a wonderful loving, caring lady and husband. I will miss you. I would like to explain to your family how much we loved you. I so sorry I had not talked to you in a while. I will always remember and love you. Thank You so much. Ann

“ I haven't seen Grandma Konarik for about 15 years... She and Grandpa Konarik took care of me after school on many occasions... I'll never forget the homemade bread AND sweet tea. Weekends were always a blast with cookouts, helping with the garden, and especially our trips to the lake. I'll never forget our life at the lake... seems almost like every weekend we were there - camping, skiing, cooking and just such closeness with everyone there. Those days are so far in the past but I'll never forget because she was a grandmother to me... it doesn't matter if you're of the same blood or not. Grandma Konarik was a very big and special part of my life... just as Grandpa Konarik... and my step dad, Red Konarik were. And I know that right now they are all in Heaven looking down upon us this very moment. I can be sad... but at the same time happy for her because I know she has missed both her husband and her son for a very very long time.
