“ *The weather kept us from coming to the visitation. We wanted to see you, Jason, and other family members we knew from the past. Carolyn was a special friend to us. Heather thought that no one could make sweet tea like her. She was a godsend to us in caring for Heather after school. Thanks for sharing your mother with Heather. Our thoughts and prayers are with you as you mourn her loss.*

“ My condolences to Jason and all of Carolyn’s family. When I think of Carolyn, I always see her with a smile on her face. She was a sweet and thoughtful friend. We were classmates at Needville High School, confirmed together at the Emmanuel United Church of Christ and somehow managed to keep in touch over the years. Together, Carolyn and I enjoyed an Autumn Colors Tour thru the New England states in 2006. We were both in awe of the colors, and it was so nice to have a friend with me who appreciated the scenery as much as I did. She will always be remembered fondly.

“ Carolyn and I shared many great times when the children were young. It's hard to find a better friend. She was always available if you needed her. It saddens me that so many years passed without seeing each other.

“ Carolyn and I grew up together , just down the road from one another. We went to Long Point together and were the best of friends. We then moved onto Needville High School where we graduated in the Class of '66. We parted ways then, but were fortunate to get together with another classmate Patricia Barta Maroul last August. We even exchanged Christmas cards in December. I am sending my deepest sympathy to the family. Thanks, Delores for keeping me in the loop.
