“ I am lucky enough to have some great childhood memories of aunt Lula, uncle Joe, aunt Carolyn and uncle Robert. I remember all the family events as a child and miss those. I apologize that I was not able to go to the service to protect everyone there, otherwise I would have been right there by my family's side. I love you aunt Carolyn & uncle Robert! We all will miss her and her long conversations! She didn't care how long its been since you last talked, she made it seem like she spoke to you just yesterday. Even when she gossiped, she still had nice things to say about everyone. You really can't help but to love her. Aunt Carolyn always put a smile on my face! She really was kind and had the very best of hearts!

It's very disheartening to have heard of your passing It is very unfortunate, but we know your with god and he will take very good care of you pretty lady!
