“ My condolences to your family. I met Celia in 1999 when she hired me to work at BPI Realty. She had such a warm and caring personality I knew immediately that I would enjoy working with her and was one of the main reasons I accepted the job. We lost touch in recent years but I had hoped to reconnect with her when I retire in May. Joellen may remember me as she also worked there for awhile. Again, I was so sorry to hear of her passing. God bless and comfort you during this difficult time.
