“ He bought me my first Golf club set. My favorite moment is, the time we all went to the property in Texas to go hunting. Grandpa Charlie was telling a ghost story about the mountain. Right at the scary part our dog came out of the brush from behind everyone scared me to death. I jumped right into the back of the nearest pick up truck. Charlie just sat there and laughed and laughed.

“ Charlie was such a dear close friend. He and I shared many enjoyable hours together over the past 25 years. It was a great pleasure to introduce him to Parkway Fellowship, where he had many friends, and served as an Usher.

“ We have known Charlie and the entire Kirwan clan since 1976. My parents were very good friends with Charlie and Kathy and we were good friends with little Kathy, little Charlie and Danny. I have very fond memories of all of us running around April Sound while our parents were enjoying their time at the club, golf course, each other homes, etc. I am deeply saddened by his passing but know that he is up there with my parents partying down in heaven. I am so sorry for your loss and hope you can find comfort in all the memories you have.
