“ *I just found out today about Chuck's passing and wanted to let you know how sorry I am and how much he will be missed. We served together on the Lake Creek Estates Home Owners Association for several years. He was so smart and always had such great ideas and if he said that he was going to do something you could be assured that it would get done. I am just heartbroken that he and Sheryl will not get to enjoy the new home they built. I drive by it everyday and so many days I would see Chuck on the property working on getting it ready so the house could be built. We were all so excited for them both and new how much they were looking forward to moving in.*

*My prayers and thoughts go out to his family.*

*Sincerely,  
Janet VanBrocklin*
