“ *I had the privilege to work with Sony a couple years that he work for the City of Richmond. There was never a dull moment. I say that with all sincerity. After Sony started his electric company, he was the only electrician I would trust to keep our electrical issues solved at the City as well as our personal residence. He will be truly missed by many. Sony, God Bless you and may God keep you in his arms.*

“ *I will adore his memory forever. Sonny always treated me with a bit of humor and friendly hostility. Maybe that was because I so thoroughly enjoyed antagonizing him, whether I was "poking the bear" during rummy or hanging his boxers on the barb wire! I still have the score sheet from the one single time I beat him at cards. He was a shark! I love the way he loved his girls and his grandbabies. My favorite moment was watching him talk to Travis with this deeply affectionate look that absolutely told the story of his undeniable and unshakable love. I am certain that his heart's desire to see Sara again has been fulfilled and he is restored in Heaven. Prayers for strength and peace..Anita*

“ *Family:
Sonny was a great friend of my parents and community in Richmond. I remember some great times when were kids. Mr. Tiny and my dad would have great laughs together. Your dad and husband and grandfather LOVED his family and was so proud to get to talk about you all. Prayers of comfort to you all.*
