“ Mommy, there is not a morning I wake up and not wish you were here, not a night I go to sleep and pray your with me! I still can not comprehend how I go on with my life without your guidance, I think about you in everything I do and how I act. I get a lot of people who tell me I'm just like you! I know your probably rolling your eyes hahaha but it makes my happy knowing part of you is always with me! One day and one day soon i hope we can be together again! I love you so freaking much!

“ Char - it is time for our "every three year" phone call. I miss your laugh. I miss you and your "let me call you right back" voice which never changed over 30 years. I lost your number you usually lost mine and I was looking for you on google. I found you my friend and am so very sad. I wish you peace, I wish you joy and I wish you a restful time with the angels. You will be missed. Angela.
