“ Charlie Kamp...there could never be a family friend like you. Dad will miss your talks and Jen and I will miss "the cobra" and you swinging us on your leg. You always wore a smile when you saw us girls. Thank you for the memories. We love you! May you rest in peace.

“ A voice from the past,a teacher at Sugar Land and Dulles Highs from 1954 to 1962. I remember Charlie as one of the warmest, friendliest students in school, always smiling and in a good mood. I know he must have been a wonderful adult.

“ *Charlie was a great friend and always like a big brother. Even though I had not seen him in a few years, I will miss him and cherish my memories.*

One of my favorite memories is when I would see him at the old Sugar Land shopping center and say to him, "hey Charlie, how's the weather up there?". He would always laugh even though I'm sure it must have gotten old hearing that.

“ Charlie, you will be missed very much. We at Floor Tech love you oh so much and will remember the good ole days that we all had here with you. You will be remembered as one of the best salesmen we have ever had! Say hi to Bill for us and good golfing up there on those streets of gold!

“ Charlie was loved by all and will be missed. He had a great influence on my two daughters' lives and they adored him. They grew up spending much time at the Borowski's house and Charlie was there often also. He was so kind and caring to my girls and I have always appreciated him for that. My youngest, Tricia, just asked me week before last, "Have you heard how Charlie is doing lately". Rest in Peace Charlie and thanks for the memories.
