“ *Not many people are blessed to remember their great grandpa, but I was. I'm proud of it too. Some of my most early memories are of being little and sitting in your lap on the tractor, showing me around in your shop, but most of all, you were always able to make someone's days a little brighter with your smile and jokes. I know your probably smiling up there in Heaven now. I love you so much Papa, and look foward to one day seeing you again. Thank you for Everything.*

“ Oh Papa Charlie...I can't imagine a world without you. You've been like a Daddy to me since you married Granny Pee the year I was born. I have only the fondest memories of you and all your fun stories, and all the things you taught me growing up, especially how to catch a trout properly. Me and Steve loved spending the summers with you guys, especially at the Bay House in Galveston It was better than Christmas because you made every day an exciting adventure. Thank you for loving me so much, teaching me so much, and sharing your life with me. You have overcome so much in your life, and I am proud to call you my Grandpa. My children know what an amazing man you are as well, and it makes me happy to know they will continue your legacy and your stories to their own children one day. I love you, Papa Charlie and I know you are already in Heaven teaching them to invent new things. All our love and prayers to you and our family and peace knowing we will meet again one day. Love,Daisy
