“ I started working for the Missouri City Police Department in 1987 and Cherry was my dispatch trainer. She was so patient and understanding when mistakes were made, and always made you feel good about what you were doing. I have since retired and moved to Colorado, so I did not know she had been ill. God has taken a special person and taken away any pain she may have had. With the resurrection in sight, we will see her again in a better world.”
To the family, my thoughts and prayers are with you.
