

Christy Ann Matcek McDonough

August 30, 2015

Christy Ann Matcek-McDonough, 41, passed away on August 30, 2015.

Christy is preceded in death by her grandparents, Richard and Evelyn Christ; and John and Breese Matcek. She is survived by her beloved husband, Brett McDonough, parents John and Lynda Christ Matcek, her brother John E. Matcek, along with a host of many loving family members and friends.

Christy was an Operations Coordinator at MD Anderson, where she worked for more than 16 years. Christy had an undeniable passion for many things in life ranging from her love of her dogs to her job at MD Anderson. Her job at Anderson was not just a "job", but a passion for a cure for cancer. She always felt that she was part of the team that could make a difference that would benefit others in their recovery.

Her primary passion was her dogs, whom she referred to as her "kids". Shopping was her athletic sport, which was all about getting that "find". She was also meticulous about her appearance - any kind of pampering which might include nails, her eyelashes, which she still lovingly referred to as her Chia pets, and tanning. She was absolutely passionate about her job and helping others. She adored her family and friends and was always happy to meet them for a cocktail and great meal. Christy also had an amazing artistic side to her. Christy so enjoyed creating just about anything that she could

bring to life from a crazy vision. Whether it be from party planning, decorating for an event, or just creating something based on a whim from a conversation with a friend. Christy could do just about anything with her magic wand and her tiara that she wore, all while enjoying everything that life offered.

In life and even after passing, she remains selfless and giving to those in need.

A memorial service celebrating Christy's life will be held at 2:00 p.m., Thursday, September 3, 2015 in the Chapel of Davis-Greenlawn Funeral Home in Rosenberg.

Christy had an undeniable passion for helping people. In lieu of flowers/plants and honoring Christy's memory, the family has established a memorial fund.

There are two different funds for those who wish to donate; MD Anderson's Patient Assistant Fund and Bulldog Club of America Rescue Network. MD Anderson's Patient Assistance Fund benefits those who are lacking funds and will benefit from financial aid ranging from support for their utilities, gas for their cars, groceries, etc. Bulldog Club of America Rescue Network rehabilitates and rehomes bulldogs that have been homeless, abandoned or surrendered. Please mail donations to:

“ *Brett, John and Lynda*

Days have gone by and I still think that Christy is here with us. She lives forever in our hearts and memories. Christy was the cheer in all of our family gatherings, her love and kindness always showed in all the little things that she did, with the biggest heart. She touched so many lives and I am so happy that she touched mine. Love and prayers, Linda

“ *I was reading the MD Anderson news today and just found out about Christy. I am so shocked to hear that Christy is gone. We spent time together when she was in Research IT. I remember her pups. Sometimes she would have Brett come by the office with one of her babies. She was always so happy when she was around them. I do not know how she kept up with her busy life, but she always had time to talk, listen, and uplift my heart.*

You are all in my prayers. I will miss her so much.

*Love,
Edie*

“ I am still not believing I am writing on your memorial page. We were just planning a happy hour after your return from Hawaii!! You are such a sweet lady - always asking about my boys, offering advice on my chiweenie, lending an ear while I vented about work, and so much more. Girl, you brought in I forget how many garment bags full of dresses so I could try on a bunch and pick my favorite to go to a wedding- you can't imagine how many compliments I got because you are not just a fashionista, but a stylish, classy lady! You truly gave everyone the shirt off your back! I'm sorry I pulled out of meeting up on the 22nd... I can hear your voice and teasing and your awesome laugh - I thought we'd have more time to laugh together. You always offered to help with work and with personal stuff and I can't thank you enough for your support. Too beautiful for earth - I love you!!!

“ Lynda, daughters hold a special place in our hearts. Reading about Christy, it's obvious, she was an amazing young woman. I know you must be very proud of her .

My thought and prayers are with you and your family.

“ My heart is breaking for Brett & the Matcek family. I'm still in a complete state of shock that GOD wanted Christy at such an early age. Why we all ask? Apparently, HE needed her to help with those that had passed with Cancer. Maybe it was to help the Bulldog babies that didn't make it on earth. Christy.... you will be looking down on Brett, to be his guardian angel until you meet again.

“ I enjoyed working with Christy at MD Anderson when she transferred to Nursing Administration where I became her immediate supervisor. Christy's work was meticulous and so was she in every way. Through her experience and attention to detail she made her job look effortless. Christy's smile could light up a room. When I saw her last a couple months ago at the MDA-Sugar Land ofc where she last worked, she had that huge smile on her face as we embraced after not having seen each other for quite a while. I was deeply saddened to hear the news of her passing. We never had the lunch we talked about. I will miss and love Christy and keep her in my thoughts.
