“ Mom you had a heart of gold, and it showed the day you opened your arms heart and door to me the day you took me in as your own daughter you gave me a second chance at life as you did for so many as a Foster Parent. We didn't see eye to eye at times but I will always be grateful for you giving me Life Love and Family. With much love to you mom you will be missed by all those who knew you. Spread Your Wings and Fly High Sweet Beautiful Angel Until We Meet Again.

“ Grandma, you’re a very kind and loving person and have been a great role model, parental figure and positive supporter for me. You have taught me many things from cooking, life lessons, family values and how to be a good person, to name a few. I loved how while I practiced guitar in my room and after I finished and came out, you would tell me how much you enjoyed listening to me play, even though I didn’t know you were listening to me. You’ve inspired and encouraged me to want to be better at a lot of what I did. I’m sad that you had to leave us but am also happy because now you are with Grandpa again. Tell him for me that I love and miss him every day. I enjoy sharing with my family some of the things we all did together. I miss him terribly and will miss you the same. You have given Vicki, Jessica, Caleb, Addie and myself some wonderful memories and we’ll all miss you greatly. I appreciate everything you have taught and done for me. I love you.

Your grandson, Danny
