“ Clarence was such a special guy. He was a regular at the Knights of Columbus Hall and for the past many years served not only as a Guard at the meetings, but made almost daily trips to the hall to either fix a faucet, a faulty light or do some type of repair. Always someone that we could depend on getting a job done.

Will never forget when we were repairing the Hall Pavilion, I drove up and Clarence was alone on Pavilion roof, trying to identify some rust issues we were dealing with. Clarence was probably about 88 years at the time. I suggested he not deal with any work if it involved a step ladder. He was always there to assist on getting something fixed. I and many others loved Clarence. He was a "good guy" we loved him and will always remember his great attitude and his great service

. So sorry for your loss. Bernie Brezina
