“ Dear Willie and family, our thoughts and prayers are with you during the loss of your father. Our families go back a long way and I remember your father as always having a smile on his face. Through the years whenever he saw me, he would always ask about our family. What a jewel of a person he was, always sharing stories. God bless!

“ Clarence was more than a friend father, he was a father figure for me. I grew up spending as much time at the house as my own house and spent time visiting with him and Lucille. He always had time for a laugh and a joke or a funny story and I know he is up there in heaven right now looking for an empty greenbean can so as not to spit on the clouds. I loved and will miss you.

“ Our neighbor and friend,

We will miss your stories, your jokes, your advice and your friendly wave in the morning. During our time in Sugar Land, we couldn't have been blessed with better people to live next door to, the day before we left I said to you that you never cease to amaze me, and I meant it. You truly were one of a kind Clarence! Thank you for being so sweet to Luna even when she would run up your ramp and try to steal your cane. We will miss you forever and ever.

Love,

“ There is really no word that can stop our pain, from the grief. We each have our own way of dealing with it. What helps me most is Jehovah's word in the Bible. We can find comfort in his promises. In Rev. 21:3,4 he says he will take away all sickness & death will be no more. Through the ramson sacrifice of Jesus Christ we know that we will see our loved one again. John 16:3

Hi Grandpa,

I miss you so much. You were the best grandpa anyone could ever ask for. I wish I could just see you one last time and talk to you, and tell you how much I love you. Your passing is a tragedy to your friends and family. We will all miss your hysterical sense of humor.

You will never be forgotten. I love you and will miss you so much.

“ *I met Clarence when I hired on at the TXI Clodine plant, he could
make a crummy day at work bearable by telling a joke to get you
laughing, and then with a serious face; ask what are you laughing
at, and then give you that little smile, that was Clarence. Our
Sympathy and Prayers go out to all the Family.*

“ I first met Clarence at the TXI Hunter Plant when a large group from across the company came there for training - He became a good friend and later I met Robert. I have valued my friendship with the Nulisch family for many years. You are in my thoughts and prayers and I hope that remembering the good times will help you during this time of loss.
