“ I was extremely sorry to hear about Allen's death. We have just lost Bill Allen's cousin in September and I had thought about Allen then. Bill had a lot of fun with his Holt cousins while growing up. Allen had a quick smile and a great laugh. I am sorry that Allen left you but I am glad the illness and pain have ended. I am sure Heaven is a little rowdier now with Darrell, Stan, Bobbie, Bill and Allen all in residence. The Robert Witchey family sends our love and best wishes.

“ I have a memory bank filled with precious memories of the times I spent with my Uncle Allen growing up. I loved how it didn't matter how old I was, he always had time to sit and talk to me, not like I was child, but that I was someone who mattered to him. That is how he treated all he encountered, making them feel welcomed and worthy.

I am very sorry Aunt Cindy, Clifford, Heather, and Angi for your loss and that I will not be able to be with you on Saturday. Please know that all of you are in my thoughts and prayers always.

“ I worked with Clifford for several years on the Pan floor at Imperial Sugar. We worked so many hours back then that we saw each other more than our families.

Clifford was always entertaining and fun to be with. I remember the joke he told me about the "Mule egg" and the story he told about going on the airways with his CB radio and pretending to be an old man hauling chickens in his 18 wheeler to valley.

I enjoyed working with him all those years and I know his family will miss him dearly. He was a family man and he loved his family. Rest in peace old friend.

“ I'm going to miss my *WONDERFUL* neighbor Cliff. He made us laugh so much. He was a great man of God; he knew the LORD and lived his life walking the narrow path with a smile on his face. He suffers *NO* more as he lays in the arms of Jesus. I'm going to miss seeing him outside next door with funny greetings. I'm glad I got to know you.
