“ Dearest Lisa and Shawn,

I was blessed to share Clint's contagious smile and optimistic opportunity as he left to start a new life down near Corpus. He was always polite, and willing to share anything and everything he had with anyone. I did not know him well, but he seemed to try to make everyone around him happy, trying to please them for their attention. I am so, so sorry for your loss, as I know you have tried so hard and given so much to help him love himself and to know that he was so loved by you and his family. May God Bless you with Peace and Comfort knowing that he is now at Peace. My prayers are wrapping you in love and light.

“ Dear Lee, Lisa, and family--There are no words to express how deeply saddened I am. I will never forget the first time I met Clint--he was just 3 years old if my memory is correct. We played Uno, and he was already such a little "card shark!" I was completely charmed and have loved him ever since. I have many fond memories of him, as I know you do. I hope those will be blessings for you. I love you always sweet Clint!
