“ Coby was a working Cowboy in the True sense of the word. He wasn't interested in himself competing, but interested in working to help those competing. Always there to help the working part of the events. He was like "Everybodies Brother". He grew to be a tall, strong & always smiling figure of a Working Cowboy. My heart is broken for his family, and I extend prayers for peace, comfort & strength to all.

“ He was always a helpful and fun person especially around rodeos. He always had that helping hand and willing to work. You could always hear him or see him smiling. Always full of it. The biggest thing I remember was his love for children. The kids picked on him and he would pick back. Just a truly all around person. I know there are many close and he will be missed. Until we all meet again. God bless you Coby and bless your family at this needed time. 🙏
