“ *I thought of Mrs. Albritton and her family often as I grew up. I remember working in the office at Lamar with her my Junior year. She was truly one of the sweetest ladies I have ever met. She was so proud of her family, her children and the wonderful music they provided. She always had a smile on her face. As an adult, I have worked in office management/accounting and she was a wonderful mentor to me. My condolences to her family and friends.*
