Dear Kim, I don't know your mum but I know you and I know that she must have been a lovely person to have had a daughter like you! I know you will miss her dearly . I recall the times I took your class because you had to take her to the Dr etc . What a blessing to you that God gave you the time and the ability to care for her! Love never fades and neither memories , so I KNOW she will be in your heart always and I KNOW that she will always be around you and your lovely family!

“ My experience of Corinne was a very pleasant woman, who was patient and kind. One of my fondest memories is she helped me figure out what I want to sew, select material, and I made knee length pants I loved for *years*. It was a very good experience. More importantly, she raised one of the most grounded yet open childhood friends in my life. Kim has been a blessing since the first day she introduced herself to me. Mrs. Baranowski was one of the coolest adults of her generation and upbringing. Thank You for your loveliness.

Corinne was our wonderful neighbor, who introduced herself to us when we 1st moving in 2014. My mom and her soon became fast friends going to the YMCA and various runs. As for myself I enjoyed sitting with her and hearing her talk so fondly of her grandkids in which she was very proud of. We looked forward to lemons from her every year. She will be missed as a wonderful example of hat Neighbors she be like. She was loved ☐. May she be Resting in God's loving arms.
