“Gwen: So sorry to hear the news. He seemed to be a great guy and I always enjoyed conversations w/him at the reunions. He had so many hobbies and interests that made your life with him very fulfilled and interesting, i am sure. You were fortunate to have had someone like him to share your life with. I know he will be missed. I extend my sympathy to you and your family. Hope to see you sometime in the not too distant future. Take care, Love. Barbara and Buddy from heaven.
