“ I had the honor and privilege to work with Mr Pasteka at Joe Denton Buick for several years and I remembered when he retired and Mr Denton gave him a station wagon for his many years of service. He was a good friend and I will always be grateful for his words of wisdom and friendship.

My condolences to the family may your sorrow and tears be few and your memories of

“ Our greatest sympathies and condolences during this time of sorrow. May the sorrow turn into a cherished, heart-felt memory that Grandpa is now at peace and no longer suffering ailments of the flesh. He quickly became my grandfather - a very loving and caring one; that despite I was not naturally his own, he still considered me one of his. I will miss him deeply.
