

Dale Louis Williams

February 2, 1941 - August 20, 2022

Dale Louis Williams was born in Corpus Christi, Texas on February 2, 1941, to Harvey Williams and Ella Nola (Biles) Williams. Dale's parents moved to San Antonio when he was young. That is where he played baseball in middle and high school and where he met his wife, Harriet. They were married on July 8, 1961 and have been married for 61 years. They have two children, Kelly Miller (husband Randy) and Glenn Williams (deceased 2019; wife Pam) and two grandchildren, Jason Miller, and Morgan Williams.

Dale was an operating engineer and operated tower cranes for several construction companies for over thirty years and was highly recognized for his skills and safety record. Dale helped build many large buildings around Houston, The Medical Center, and in other major cities in Texas. If you saw the crane building the St. Luke's tower, that was Dale.

Dale joined the Catholic Faith later in life and was active in church for the RCIA program, the marriage preparation program, and bible studies. Dale was an excellent husband, father, grandfather, provider and followed God's will. He enjoyed playing tennis and won several tournaments when he was younger. Dale also like to play golf and dominoes and enjoyed boating. He enjoyed watching tennis and football. Dale was an avid amateur radio operator and spent many hours speaking with people all over the world from his crane and his home.

Dale has always been a University of Texas fan. His granddaughter Morgan Williams graduated from there. His grandson, Jason Miller, graduated from

Texas Tech University; and his wife and son-in-law graduated from University of Houston; so, then he had to root for them as well (unless they were playing UT).

Dale really enjoyed listening to all kinds of music. Neil Diamond, Lynyrd Skynyrd, Yanni, and Trans-Siberian Orchestra are a few of his favorite artists. Dale loved his family, celebrating Christmas, going to boat shows, and attending Monster Truck shows and Trans-Siberian Orchestra concerts with his grandchildren.

Dale was preceded in death by his parents, his brother, Charles Williams, his sister Sharon Williams, and his son Glenn Williams. Dale is survived by his wife, Harriet, daughter, Kelly, son-in-law, Randy, daughter-in-law, Pam, and grandchildren Jason, and Morgan and numerous nieces, nephews, family, and friends.

Dale will be dearly missed by all that knew him. In lieu of flowers, the family asks that you please donate to the American Cancer Society.

Funeral Mass will be held Thursday, August 25, 2022, at 11:00 A.M. at St. Faustina Catholic Church in Fulshear with burial to follow in Greenlawn Memorial Park in Rosenberg. The family will receive friends at the church from 10:00 A.M. until service time.

“ As a coworker of Dales for many years it was easy to get to know him. He was well respected by everyone and whenever anyone talks about “the good ol' days” Dale name is sure to be brought up, even today, 10 plus years after his retirement. He was an excellent operator a good communicator and showed patience in difficult situations. He was our friend and will be missed. He has been missed.

My heart goes out to the family and all his friends. May the memories of Dale bring warm thoughts big smiles to us all.
Cheers mi Amigo. See ya when I see ya

“ Aunt Harriet, Kelly, Randy, Jason, Renee, Mom and Dad Walters, my sincere condolences on the loss of Uncle Dale. We had many many conversations about where my next venture was and Uncle Dale was always wanting to know what was next! Shared many fond memories at the river talking about life! Think I was always the first person he chatted with at the river when they came down looking for my latest story. Took him on what I think was his first hay ride through pecan grove to see the Christmas lights and they talked about it for years! Uncle Dale you will be missed by many. Rest easy and keep being cool! May peace come to the family soon, I am truly glad there is no more suffering. Love you all my prayers are with you always. Love Ya, Tiff 🥰
