“ Bobby & Mike:

I hope both of you guys are hanging tough, because you both just went through one of the toughest things that life can throw at you. AND, as you have discovered, life can be tough. But, death is part of life and I didn't mean that to sound so simplistic, and, you both will survive this, and you will both "go on," which is the way Dana would want it. You will get through this, and the next 12 months will be the toughest, getting through that "first round" of "calendar dates." But the wonderful memories will always be with you, and you will be fine. Life goes on, as it has to. Thinking about you both....

“ Dear Bobby and Michael,

I worked with Dana in the County Clerk's Office for a number of years. I have many memories of her. However, when I think of her the thing that I remember most is how she would help my Daddy with the deed records and how much he thought of her. Even after I left the Clerk's office he would still ask "How's Dana?"

May Dana rest in peace and may you be at peace as she rests.

“ Bobby, Michael, Amy, and Celene
God called a best friend, much loved and smiling Angel to heaven yesterday. Though we will miss Dana, we can take comfort in knowing, she will have no more pain and suffering. May God give you his love and strength at this time. Remember the happy times and Dana's love and take "one day at a time". God will be with you at this time. As she often said to me, "I was like her sister" it went both ways. Betty
