“ Frances,

Of all my memories of you and Daniel the one that sticks out is the time he stuffed a bunch of us in his car and drove us over to your house for a visit. He had just recently returned from Korea with gifts. I was so impressed that he bought his mother a set of Noritake china! What a son!

Now, if my memory is faulty, I'm sorry but I still like it!

God be with you and your family at this time,
