“ Karen and family - so surprised and sorry to hear of Daniel's passing. He looked very good when we visited at Charles Teykl's funeral! I suppose this was a shock to you as well, and you have my sympathy. God's peace be with you.

“ Daniel was a regular patron at the Christ Church Tuesday morning men's prayer breakfast. I remember talking about retirement with him in the parking lot after one gathering. He said the smartest thing he ever did was to keep his Texas Instruments pension rather than take the cash payout that the company was offering. He made it for about 25 years on the pension. That, plus he was driving this ancient Lexus sedan which must have been nearly 20 years old. I'm pleased to say I listened to his words of wisdom: My Toyota Avalon is now in its 11th year of service and I plan to keep it for another 10 years, at least. Daniel Jedlicka was a good man and God blessed me to be able to know him.
