“ Hey Daddy,

You are going to be a grandfather soon. I know that you held him first in heaven by the dream. Please keep him safe until he can be here with me. And don't teach him too many bad things lol I miss you so much and it's been so hard for you not to "be here" for all these huge life moments. God and you are watching over Ian and I. I love you.

“ Danny, your little girl, now grown up, is getting married in a few days. You told me years ago that you "approved" of Ian for Stephanie. I know they will have a happy life together. I know that is what you wanted most. I love you. I miss you. And.... Hook 'em Horns! Love you 💖

“ My brother always had my back and I had his. I miss his “yo” and his laughter. Bubba, you are in my heart.
I am proud of you.

“ Danny was the best man in my wedding in 1980 and a true friend for many years until I moved away from Texas. Sad news about my old friend.

“ Danny, you will always hold a special place in my heart, "this is your brother, Daniel, calling from Rosenberg". Every time you left a message, it was this! Makes me smile. I only have one brother and I knew where you lived!! : You will be missed greatly by all of your loved ones. Until we meet again in heaven, give mom and dad a big hug from me. See you when I join y'all. Love you Danny!!

“ Daniel P,
I can still hear you playing guitar and singing Buddy Guy. The crazy times we had will always be present in my thoughts. Love you and will miss you my friend!!!!

“ Danny
I remember watching you pushing, pulling, and leading young men and women toward a place they all wanted to be, but didn't know was possible until you showed them. That was in the late 70's and early 80's. Today, I salute you for your service and your life. Farewell, fellow traveller.

“ Daniel P~
*The first one to call me his little sister.
The first one to teach me guitar.
The only one to tell me, "quit singin' like a white girl!"
Loved his laugh, his voice, his sense of humor, his passion for "his way or the highway" ... I love you brother. I know you're playing again... And huggin' on mom and dad. xo*

“ *To all of Danny's family and friends, may God bless each one of you at the death a good man. Danny and I met in high school and he was very kind to me at a time I needed a strong friend. I loved his smile, but the bad guys needed to watch out! if he wasn't! God grant peace.*
