Great video. Danny went way too young, but perhaps the Lord needed help teaching others how to fish and feed themselves.

Danny was only 4 days older than me. We often celebrated birthdays together. I'm sure gonna miss him. We did lots of fishing on Lake Conroe with my daddy and other family. Weekly. Danny loved fishing. He could catch 'em when nobody else could! Lots of fish fries and house parties. Good times. And back in the day, we cousins did lots of partying together in and around The Heights. He was a great guy, dependable and lots of fun. He will be greatly missed. Rest In Peace, dear Danny.

Love, Debbie Naski Maxey
