“ I met Dan around 1982 and I've never met a greater or kinder person than him or his brothers. What a close knit family. They adopted me as one of their own and that, I will never forget because those memories are some of the most beautiful in my life. RIP my friend.

“ My deepest condolences to the family of my friend Dan "THE MAN" Segura. Dan left a legacy that will never be filled by anyone. He was an ICON in the Rosenerg, Richmond area and all the surrounding areas. He never forget the small town of Eagle Lake, Texas and the Morales family which is my home town. I have lived in Rosenberg for the past 38 years and my children and his children knew each other as well as other members of his family. Dan was my rival when it came to the Dallas Cowboys and his Texans.

Now I won't have anyone to call about the game and rag on them the way he used to do it, but even though it hurts us to know that we will never see him here, we know that he is with our LORD JESUS CHRIST AND HE IS SETTING UP CAMP WITH HIM AND WE WILL SEE HIM AGAIN AND ALL HIS OLDIES WILL BE PLAYING IN HEAVEN AND HE WILL BE HAVING A BALL WITH NO SUFFERING AND JUST ENJOYING LIFE. DAN WE WILL MISS YOU ALOT AND THANK YOU FOR ALL THE SONGS YOU PLAYED FOR US AND FOR ALL THE MEMORIES. WE LOVE YOU!

REST IN PEACE MY DEAR FRIEND AND SAY HI TO OUR DAD CLAUDIO CLYDE MORALES.

“ Well so much to say, but will keep it short,....but here we go. Year 2004 I enjoyed every moment I had with dan from being a promo tech, getting his remote ready, getiing his copy points, and getting him a coke before the remote started. And one I loved about him was he never wanted me to go all out with the set up as in balloons and banners. He was like grab that chair and relax. So I did "just dont tell my boss lol"... And spent every day with this great friend from remotes to concerts all the way till 2007. Then I became Program Director I loved it but hated it, cause I was Like how can tell this man older than me what to do, especially with way more seniority. So I said heck with everything we do we'll do it as a team. And we spent the whole year that way. I made sure I had change before I got to work cause i knew he will want a coke or snack from the vending machine. I rember going in the studion on monday july 28 around 2pm and dan was eating some Mc Nuggets, so I went to get him a coke and went on with my work. My last moment with dan was at 6:45pm I was done with my production and stopped by the studio and said hey dan everything good do you see the music for tuesday, "yup he said all there" so I said well Im gone see ya manana, hes like alright Im right behind you let me do my last sign off. And then that was it I took off. And here we are with the sad news. Just want to say Dan you showed me allot and guided me when I was stuck. I miss you man, and I know your in a better place... You'll always be the best friend I always wanted. Thank YOu a million... God Bless Love you

“ *What can I say that everyone has not said already..Even though you are in a better place you are going to be greatly missed and I'm going to miss hearing you voice on my way home everyday after work on the radio.. I leave this special poem to you.*

*I know that my time on earth is through
And now I'm coming home to you.*

*The Lord that gave my life to me
Will now set my spirit free.*

*I have known joy. I have known sorrow
I have loved you like there was no
tomorrow.*

*And through it all I have no regrets
because you're the nicest people I have
ever met.*

*Don't grieve for me, for now
I'm free
I'm following the path God has laid you see.
I took His hand when I heard him call
I turned my back and left it all.*

*I could not stay another day
To laugh, to love, to work, to play.
Tasks left undone must stay that way
I found that peace at the close of day.*

*If my parting has left a void
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss
Oh yes, these things I too will miss.*

*Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I savored much
Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief
Don't lengthen it now with undue grief.
Lift up your hearts and peace to thee
God wanted me now; He set me free*

Putting everyone else before himself.

Treating everyone with dignity and respect ALWAYS.

I will miss all the tejano history lessons he used to give me when we worked together at KMIA in Rosenberg, and then at PURO TEJANO in Houston.

Especially the life lessons he tried to teach me, cause i really wasn't listening to those, and he knew it, so he scolded me!

Thank you for the laughs, cries, and all the wonderful memories i will always cherish in my heart.

“ My heart and prayers our with the entire Segura family.As everyone knows the love he had for his family and friends was very,very unique.I am so happy and fortunate to have had such a very special person be a part of my life.My very special memories of working with him and doing my remotes at KQQK,and to have been very fortunate to work with him at Univision again...What a blessing.I am going to miss sneaking downstairs to the studio to talk to him about what Tejano artist was coming for the weekend and our beloved Tejano music and our culture.We have lost a True Tejano and it will be up to us to keep our music and culture going...this is what "Dan The Man" would want us to do.Dan you will always live in our hearts.Thank you for being such a kind,loving person. “ My thoughts and prayers go out to Lydia and the Segura family. Dan was the man for Tejano. He gave many bands and groups a break and support, he also did that for DJ's. He hired me at KFRD where he taught me much about the music and the groups, and a little bit about radio. He also taught fairness, integrity and respect. I see from the postings he touched not only my life, but many lives. Dan Segura as a man was a good husband, father, grandfather, son, and brother to his family and to the rest of us a Friend. He helped me survive a difficult personal period and to finish my studies at U of H. My life is much better because Dan the Man was there, always there. My brother, my friend, I will miss you, and your fans will miss you. Here is a special promo just for you,
"Now live on KHVN radio with all your favorite Tejano hits and more, The big boy of Tejano Joy, the round mound of Tejano sound, it's the Dan the Man Radio show"

“ Well so much to say, but will keep it short,....but here we go. Year 2004 I enjoyed every moment I had with dan from being a promo tech, getting his remote ready, getiing his copy points, and getting him a coke before the remote started. And one I loved about him was he never wanted me to go all out with the set up as in balloons and banners. He was like grab that chair and relax. So I did "just dont tell my boss lol"... And spent every day with this great friend from remotes to concerts all the way till 2007. Then I became Program Director I loved it but hated it, cause I was Like how can tell this man older than me what to do, especially with way more seniority. So I said heck with everything we do we'll do it as a team. And we spent the whole year that way. I made sure I had change before I got to work cause i knew he will want a coke or snack from the vending machine. I rember going in the studion on monday july 28 around 2pm and dan was eating some Mc Nuggets, so I went to get him a coke and went on with my work. My last moment with dan was at 6:45pm I was done with my production and stopped by the studio and said hey dan everything good do you see the music for tuesday, "yup he said all there" so I said well Im gone see ya manana, hes like alright Im right behind you let me do my last sign off. And then that was it I took off. And here we are with the sad news. Just want to say Dan you showed me allot and guided me when I was stuck. I miss you man, and I know your in a better place... You'll always be the best friend I always wanted. Thank YOu a million... God Bless Love you

“ My deepest condolences to the Segura family. My prayers and thoughts are with you and may God bless you always and bring you peace.

I remember Dan â€œThe Manâ€ Segura back in the day when he was keeping Tejano music alive every Saturday afternoon in Rosenberg. He was so supportive of young artist trying to make their way in biz. He is the reason why we have Tejano 980 today. He never gave up on the hopes that Tejano music will be playing on the radio 24/7 in Houston.

Working with Dan was like walking through time, he knew everything about Tejano music and knew everyone in the biz. He would tell these stories that somehow made you feel like you were there and when he spoke you listened.

He commanded a presence and was the most gentle and respectful person I know.

Dan you are the â€œChampion of Tejano Musicâ€ and I will miss you, but I know I will see you again. Rest in peace my brother.

“ Sincere condolences to the Segura family. When I was little my daddy always listened to KFRD and talked about his friend, Dan the Man. I have admired him for a long long time. He was always generous with his birthday dedications and always made me laugh. Meeting him in person, you knew he had a heart of gold. Tejano radio will never be the same. He will be missed and forever in our hearts. God Bless.

“ I can hear Dan spinning " People get ready there's a train a- comin'
You don't need no baggage,you just get on board
All you need is faith to hear the diesels hummin'
Don't need no ticket,you just thank the LORD".....
Dan and his brothers were always glad to see you even if you had
just met them. I had the pleasure of knowing Dan for over 40 years.
He was always ready to talk music and remember los dias de ayer,
when we all were young,had all our hair,we were skinny and running
into each other on the road,playing all over the chicano circuit. God

“ Well first off i want to start by saying what a great man God has called to be apart of his world!! I had one memory with Dan i remember he was online and told me Thank You for listening in to Puro Tejano, and i was like WHAT? Who is this, and he said who he was and i apologized and he said, no need to apologize its ok!! So i told him thank you and he said no thank you for being a listener!! So that just goes to show you what kind of a kind and generous man he was and how much he loved his listeners!! I do have to say the world has lost one GREAT man!! I know this from all the wonderful things i have heard!! His name will forever be in the tejano world and will forever be here in Houston!! And also his wonderful impact he had on people!! Wether it was to just bring them up when they were down, give advice, or just to help anyone in need in any way possible, that was just the man he was!! So to Dan "The Man" You will forever be here in the hearts of all of us!! And in my heart!! We MISS YOU ALOT and will FOREVER MISS YOU!! But we will see you again one day!! Much Love to you!!
