“ *Bridgette and Nanette -- Steve and Sherry from Lafayette. Happened to see Mr. Voorhies and I read the obit and saw your names. We didn't know him but still wanted to offer condolences to y'all. I wonder, Bridgette, if he's the one who piqued your interest in piano. Been a while since we've seen both of you, but times like this, when old friends are grieving, are rife for at least a contact and your knowledge that our thoughts are with you both.
