“ Our sympathies to all of Danny's family. We have always been so close. When we were younger our families took several vacations together. What memories!! Danny always has and always will have a special place in our hearts because through him Larry and I were introduced in 1967. He was always a hard worker, anxious to help anybody, and would give you the shirt off his back... May he now rest in peace. Much love,
Cynthia C.A.

“ To the Yockey Family, Dan was a great friend. We meet at STP and he was a great boss. I have so many wonderful memories. I have not enjoyed a job as much since then. I have followed Dan's example of beig a safety director with a great understanding of the people I work with. His example has served me well. He will be missed so much by all of us!

“ Dan Yockey was a special friend and Co-worker for a number of years. To sum up Dan in just a few words. He cared more about the employees safety than the employee and the employer ever knew. When an accident occured on his shift, it affected him deeply, emotionally and spriturally. As I read a number of the others condolences, it is truly appearent that Dan touched many hearts. I am a better person because I had the privlage of knowing Dan and was able to call him a friend. I deeply regret that I didn't stay in contact with Dan after he left the company. He will be missed and for the family, I am so sorry for your loss. You will be in my prayers.
