“ Dave will be remembered for so many things. He was a GREAT person. We lost touch after I left college but reconnected last year. He was always good for a laugh or a shoulder to cry on. God Speed my friend.

“ David was my #1 Martial arts student. I was so very proud of him. Getting over his passing has been very difficult for me. I think of him every day now. I remember when he was about 16 or 17 taking him to give a demonstration at Van Binh Academy in Houston. David was better than anyone the master there had ever seen. He was a 7th degree blackbelt and impressed with my #1 student. It was an honor to know him and my heart goes out to the family. Heaven has a new angel. God bless you David. I will never forget you. Sincerely, John R. Fiebiger.

“ Dear Amy and Family,

As I heard the news, my heart broke for your family. Our family sends our sincere condolences.

My brother and I called each other to mourn the loss of David. We have fond memories of our childhoods together. David was a great kid and we see that he grew to be a wonderful adult. How sad that we lost touch but, as children grow, they never forget those that made an impression. David did that for us. As well as you, Amy. We have always loved you.

I'd like very much to reach out to you right now but have no way of finding you. Until then, you are in my prayers and thoughts.

*With love and fond memories,
God Bless David.

“ My prayers go to Dave's family. I hadn't seen Dave in years but was very close to him when we were little in Quail Valley. I remember when he would ride his skateboard over to see me and my sister. Those were great days. Over the years I have kept up with how he is doing thru my sister and listening to him give reports out of the Channel 13 helicopter. He was a wonderful person and will be missed dearly.

“ Dave,

You will be sorely missed. I have no words for the grief I feel over your loss. I try to remember the good things that we shared. I thank you for getting me the job at KTRK. Flying with you during training was some of the most fun I had. I remember the days back in Quail Valley of all of us, you, myself, Ronnie and the gang running around wreaking havoc on the neighbors. I remember the times growing up in high school fighting over girls and so on. You really were the best of us all and always will be.

“ I met David seven years ago when he was in his band Octane and I have never forgotten him. My parents also met him and my Mom would always tell me through the years when she would hear David’s recognizable voice on TV. We had some amazing times together & some I will never forget. He was a deep, expressive and thoughtful man. May your son, Adam, grow up to know you were a wonderful person and will surely be missed. David you will always hold a soft spot in my heart. My God Bless your family. Elizabeth

“ I met Dave when he was 10, I was a school friend of Amy's and he was such a cute and sweet child. Over the years our paths crossed many times and each time we picked up right where we left off the last time we had seen each other. He was endearing, kind and everything a good man should be. When I heard him reporting the news, I filled with pride for him, he lived his dream. I'm sorry he had to go so quickly, but I'm thankful to have known him while he was with us.

You are in my thoughts Amy, as well as the rest of your family.

“ I met Dave last year through a common friend. The first time I spoke with him, I was immediately struck by his intellect and sparkling personality. Dave is a thoughtful, philosophical soul of great depth. He is a cherished friend, and I am grateful for the time I was able to spend with him. Those are some of my favorite memories.

We love you and miss you, Dave! :-

“ Dave,

You will be missed by many people. You touched so many people in different ways. I was lucky enough to have known you when we were growing up in Quail Valley. I remember when we used to get in the ditch behind our houses and get all muddy, lol. I remember all those Saturday mornings when we played football in your front yard. Im glad that I got a chance to know you and your family. Even though we lost touch with each other for about 15 years, it was nice getting to meet you again in our adult age a few years ago. To all that knows Dave, my thoughts and prayers are with you all. If I didn't live all the way in Spokane, WA I would be there in this time of grief.

Take Care, and God Bless my friends!
