“Daddy,
So much memories I have with you that I don't know where to begin. The best ones are with your precious gem Makayla. I cannot get out of my mind when we were at Bradenton when Makayla wanted to pull the LeJuan James correa move. Oh how you got up that second time around and scared her so much, she ran to bedroom crying. Hahaha got that video and I sure can replay that over and over again.

Thank you daddy for ALWAYS being there for not just me and the whole family but most of all Makayla. You were not only the BEST grandpa but her #1 father figure. Your love will always be imprinted in our hearts. We love you so much daddy! Until we meet again.

Love always,
Denise Alban

“ *Dad,
Thank you for all that you did. I know I told you how much we appreciated all of the sacrifices you made in order for us to be better but I wanted to continue to show you that with my kids here on earth. You're missed daily and this transition hasn't been easy but rest assure that we will continue your legacy. I love you! Tell the abuelos hello and I'll see you later.
