“ David was our appliance repairman for over three decades! He could keep AC units running well beyond their usual working life, and was available on short notice whenever there was a problem.

He and Anthony were in Boy Scouts with John and our sons, Jeremy and Ian. For Scout meetings, campouts and Eagle Scout ceremonies, David was there.

Good-bye, good friend! We will miss you.

“ Our sincere condolences to David's family. David took care of appliance repairs for over 20 years in both of our homes in Sugar Land. He was always welcomed as a friend in our home, not just a repairman. We were always sure to have plenty of Hershey's chocolates around when he came to do work. He always bragged about his family.

We are very sorry for your loss.

David was a really great guy. I meet him through Richard who I use to fly RC planes with. Its been several years since I talked to him so when I called his cell number and someone else had that number I knew something was wrong. David was one of a kind. Smart ,knowledgeable , inquisitive ,funny and always with a great smile. He always looked on the bright side of everything. The only solace I take is that someday I will see him and enjoy his great company again. Maybe there are appliances in heaven that need a tweaking. I hope so, it was always a joy to witness his mind working out a problem.
